

MA Publishing at Plymouth
professional and practical

A hands-on approach to publishing - commissioning, list building, editing, InDesign, Dreamweaver, Photoshop.

An internship with the University of Plymouth Press and placement with a publisher of your choice.

MA Publishing Course

Practicality at MA level enables students to appreciate the roles of the many trades and professions which constitute publishing. The programme focuses on skills, training and an intellectual underpinning enables students to function and innovate within the context of a modern publishing industry and its markets.
